

LOHANRAJO INDUSTRIES AND TECHNOLOGIES PRIVATE LIMITED

AN ISO CERTIFIED COMPANY

LOHANRAJO INDUSTRIES AND TECHNOLOGIES PRIVATE LIMITED (LIAT) - PROFILE

Brief Introduction:

LOHANRAJO INDUSTRIES AND TECHNOLOGIES PRIVATE LIMITED (LIAT) is an ISO 9001:2015 certified engineering and manufacturing company specializing in the design, manufacturing IP rated enclosures, assembly & wiring of control panels, and customized engineering solutions conforming to IP standards.

The company traces its origins to **Lohanrajo Metal Arts**, Estd in **1992** by visionary entrepreneurs **Mr.L.L.Baskar & Mr.L.L.Sekar**. Backed by more than three decades of manufacturing excellence and extensive industry expertise, the organization has built a strong reputation for quality, reliability, innovation and on-time delivery.

As a part of strategic growth and expansion, the business has been incorporated as **Lohanrajo Industries And Technologies Private Limited**, strengthening our capabilities to serve OEMs, System integrators, Industrial automation companies, infrastructure projects, and data center industries with enhanced engineering expertise and organizational excellence.

Today, LIAT continues the legacy of Lohanrajo Metal Arts while embracing advanced manufacturing technologies, modern quality systems, and customer-focused engineering solutions.

Operating from a modern manufacturing facility spread across **7,200 sq.ft** at **Perungudi, Chennai, TamilNadu, India**, the company has consistently expanded its capabilities to meet the evolving needs of its customers.

Vision:

To become one of India's most trusted engineering manufacturing companies by delivering innovative, high-quality products with world-class customer service.

Mission:

Deliver quality products on time

Provide value engineering solutions

Continuously improve technology and manufacturing capability

Build long-term customer relationships

Ensure customer satisfaction through quality, reliability, and service
